My goal (page 3 of the online form)

Tell us about your dream by outlining what you want to achieve, the steps you've taken to get there, how this will benefit the community and how much funding you need. Any information you provide on this page will be saved after you press 'Save'.

What is your goal?* (100 characters)	To finish writing my second novel in the next 12 months and send it to my publisher.															
What will an AMP Tomorrow Fund grant help you do?* (2,000 characters)	This grant will help me achieve this goal by providing the support and time needed to focus on finishing my second novel. The grant will give me the freedom to focus on creating this book without the constant stress and financial strain that takes time and energy away from writing. ... etc.															
What have you already done to work towards your goal?* (2,000 characters)	<p>I completed a Bachelor of Creative Writing at Sandstone University in 2011. I set the goal of being published. In 2013, I won the Sydney Gold Standard Writing Award for my short story A Perfect World. I was then awarded a contract with Creative People Press and my first novel, Perfection, was released in October 2014.</p> <p>Finishing my second book is an important milestone. I have already completed four chapters. I have a comprehensive plan set out for the manuscript, with project milestones. I aim to send the manuscript to my publisher by May 2016. ... etc.</p>															
How will this benefit Australia?* (2,000 characters)	<p>Growing up with no siblings and a single parent in rural Australia, books helped me imagine a better life and provided characters I could relate to. I'm passionate about the ability of literature to enrich lives and provide solace and inspiration.</p> <p>An AMP Tomorrow Fund grant will help me support the local publishing industry and inspire other writers. My second novel, which will be based on a young woman who creates a rich fantasy world to escape the harsh realities of her life, will connect with and inspire readers who perhaps, like me, didn't have the easiest start in life. ... etc.</p>															
How much money do you need to achieve your goal?*	\$	22,000
